All Welcome!

Limerick City and County Council invites you to join us for a public engagement event to share your views on the future of King's Island and the enhancement of the King's Island Walled Town Framework. The Framework seeks to identify key sites on King's Island that are vacant or underutilised and to establish new uses for them which will generate employment and drive footfall.

Discover Limerick DAC will also be present on the day as they prepare a strategic masterplan for King John's Castle. The King John's Castle Masterplan aims to increase the value of the Castle as a significant heritage site that will attract a larger diverse audience which will deliver cultural and economic benefits for both Limerick and the Wild Atlantic Way region.
